Assists in the training and guidance of lower-level buyers;

Prepares solicitations, and works with users and County technical representatives to develop specifications for recurring, complex, or unique procurement actions;

Researches the availability of state or County contracts that can satisfy an agency's requirement;

Selects appropriate bidder's list and prepares advertisements;

Conducts pre-bid conferences to clarify the terms, conditions and specifications of the contract;

Guides the Selection Advisory Committee during bid evaluation deliberations and assures that proper procedures are followed;

Provides guidance to the Selection Advisory Committee and actively participates in contract negotiations;

Recommends contract award to the team leader and prepares award documents;

Monitors the execution of contracts to ensure that all contract provisions are met;

Identifies problems and initiates corrective action when appropriate;

Negotiates difficult and/or major contract changes with vendors;

Performs contract administration functions;

Maintains complete documentation of all actions taken;

Enters and maintains contract information in the automated purchasing system;

Assists higher-level personnel with completion of management studies pertaining to procurement activities;

Assists in the development of internal procedures and regulations.

REQUIRED KNOWLEDGE, SKILLS AND ABILITIES:

Considerable knowledge of the principles, practices, and methods of purchasing;
Ability to prepare specifications and review and evaluate bids and proposals;
Ability to assist and guide the work of lower-level buyers;
Ability to use sound judgment in making independent decisions;
Ability to maintain effective working relationships with technical representatives from other agencies and vendors;
Ability to collect and analyze data;
Ability to utilize an automated procurement processing system;
Ability to prepare clear and concise reports.

EMPLOYMENT STANDARDS:

Any combination of education, experience, and training equivalent to:
Graduation from an accredited four-year college or university with major course work in business administration, public administration, or a related field; PLUS
Two years of experience in technical procurement work, including considerable experience with automated procurement processing systems.

CERTIFICATES AND LICENSES REQUIRED:

Certification by a nationally recognized professional purchasing organization is required.

NECESSARY SPECIAL REQUIREMENTS:

Certain positions with financial responsibility within this class may be subject to criminal history record checks and/or credit checks as a condition of hiring and periodically thereafter, as determined by the department head. An applicant or employee may be required to submit a request for a criminal history record check and/or credit check to the appropriate agency. **Applicants and employees within these select positions must demonstrate financial responsibility in personal finances as a condition of employment.**
